Areas to Watch:

II. CliftonStrengths

CliftonStrengths is a psychological assessment test that helps individuals uncover and develop their natural talents and abilities. After the completion of this online battery of questions, the individual is provided with their score in the thirty-four strengths, listed from strongest to weakest. Below are the assessed individual's top 5 strengths and the descriptions of those strengths.

CliftonStrengths Results:

Rank	Strength	Description of Strength
1		
2		
3		
4		
5		

III. SPIRITUAL GIFTS

The Spiritual Gifts Assessment helps individuals identify their God-given gifts for living faithfully as Christian disciples day by day and helps them find meaningful ways to use their gifts in connections with others through the community of faith. The process helps people understand the nature of spiritual gifts and ways to enhance the effectiveness of their gifts by linking with others. Below are the assessed individual's top 5 spiritual gifts and the descriptions of those gifts.

Rank	Spiritual Gift	Description of Spiritual Gift
