METHODIST MISSIONARIES

# MAKING DISCIPLES

OF NEXT GENERATION LEADERS IN COSTA RICA

Serving in extension ministry as missionaries of the Tennessee Annual Conference, our ministry focuses on **next generation discipleship** and **pastoral training** for new clergy. Consider partnering with us to make disciples of Jesus Christ in Central America who will transform the world.

- Become a local church missionary partner
- Send a team on a short term mission immersion trip
- Facilitate a student workshop or serve as a guest speaker for weekly chapel
