Our Ministries!

FreshSTART Recovery Church, Celebrate Recovery, Community Outreach, Children's Ministry, Discipleship House for Women and Hester Haven House for Men.

Our Vision

We envision a world where the love and light of Jesus Christ make healing and restoration possible for the most broken members of society. We've created an environment with no labels, no judgments and no stigma for the people struggling with life's most damaging challenges. We see hope, peace, serenity, sobriety and harmony being the norm for the families that become involved in FreshSTART and pay special attention to the children of these struggling families!

REVEREND ANGY TRIMMER

Our mission is to find REAL, LIFE CHANGING, WORKABLE, DEEP solutions for families struggling with the effects of addiction, alcoholism, poverty, incarceration, mental health issues and abuse. We believe in a Holistic Approach and that the best solutions care for the entire person, body, mind and spirit AND that the best solutions include the whole family AND build healthy relationships and create a loving and supportive Recovery Community. Our mission is to AID transformation of individuals, families and ultimately of our community.
