## Widows In Need Giving Service

Wings of Hope is a non-denominational ministry reaching out to widows through local chapters, churches, and communities. We minister to women who have lost their spouse through death, divorce, desertion, or imprisonment.

We aim to give HOPE!

Each local chapter meets monthly over a relaxed, comfortable social event. The meetings bring women together in order for a seasoned widow to share her experience with the recent widow, helping her assimilate back into her new life.

“After my husband passed away, I don’t know what I would have done without Wings of Hope Widows Ministry. They helped me find my way back into a new life.” ...a New Widow

Newly widowed women are also given a “Chicken Soup for the Soul” bag allowing an opportunity to begin transition with seasoned widow. A support group we call “Widow to Widow” is offered for women to explore new facets of life.

**Our Mission Statement is to promote the cause of Christ by educating and demonstrating Christian love to those who have lost a spouse.**

Wings of Hope has "two wings:" One wing is made up of the local chapters lead by women who are widowed. These women are given training in developing individual chapters within their communities that operate as independent units meeting the needs of those local widows.

The second wing is the ministry to churches. Churches call upon Wings of Hope to encourage, educate, equip, and evaluate their individual ministries to the widowed, both men and women. We work with churches to make sure they have the tools necessary to develop their own widowed ministry.

Wings of Hope is a 501(c)(3) non-profit ministry receiving its funding through donations and grants. We are always in need of volunteers whether it be a widowed person or a non-widowed person with a heart for widow's ministry.

*Pure and undefiled religion before God and the Father is this:*

*To visit orphans and widows in their trouble*
