Local Church Services
United Methodist Communications

The beauty of the United Methodist connection is best seen in local churches ministering and thriving in unique ways. Each congregation has its own identity, rich history, community relationships, missional partnerships and divine calling. Every church is vital in our global mission to make disciples for the transformation of the world. That is why we have renewed our dedication to serving local churches by enhancing the communication, outreach and marketing services designed just for them. Our menu of services can be tailored to fulfill specific needs of individual churches.

After completing an application and discovery process, churches may be offered services such as:

MARKETING SERVICES AND PROMOTIONAL GRANTS:

Apply now for help with social media consultation and audits, website development & SEO optimization, advertising, branding/logo assistance, stationary and business card design and much more...

WEBSITE DEVELOPMENT GRANTS:

An engaging website is key to online outreach. Churches can get started with a year of hosting, domain registration and training opportunities.

NEW CHURCH START GRANTS:

Churches that are less than five years old can receive expanded resources to boost community awareness, including promotional items, a branded event tent setup and additional funds for an enhanced outreach print materials package.

SOCIAL MEDIA POST AUTOMATION GRANTS:

Need help keeping your church's Facebook page active and engaging in order to connect your church with your community? We will provide six Facebook posts weekly (Monday-Saturday) that will automatically post to your page.
