

Our Mission: Freedom, Rescue, Restoration, Redemption, Equipping

To love God with our whole selves, and by his love, to rescue and restore those individuals and families who have been wounded by prostitution, abuse, abandonment and poverty in Recife BR, Brazil and in the World.

Our Core Values: Intimacy with God, Dependency on the Father, Revival Among the Poor, The Value of Suffering and Joy, Urgency and Consistency

Our Vision: To see revival among the poor and reformation in the areas of prevention, intervention and restoration of individuals and families through the revolutionary love of God expressed in fellowship, discipleship, education, shelter care, adoption, and cultural transformation.

Our Ministries:

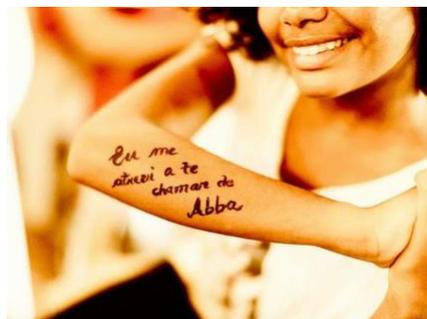

Amor do Pai (Father's Love): In Brazil, prostitution is legal. While child prostitution and trafficking is not, they are both very real struggles that we see on a daily basis. One of the dreams of our ministry is to see the end of prostitution in Brazil in our lifetime. Our Father's Love ministry focuses on reaching these precious sons and daughters of God.

In Philadelphia, we host 'Family Meals' where anyone in the community is invited to come share a weekly meal, engage in conversation and feel valued/accepted.

Vila Betânia (Bethany Village): Bethany Villa is home to girls ages 0 to 18 years old who have been rescued from situations such as abuse and abandonment. The house is a place of safety and recovery, where our trained staff consistently care for girls in an environment of love and encouragement.

In Philadelphia, we have directors who open their home to children from the community. They come and go just like their own children and are loved, valued and accepted no matter their background, race or religion.

Igreja nas Ruas (Street Church): In Brazil, 18% of children live homeless on the streets. Some girls as young as eight are already in prostitution, others live in constant danger of rape and abuse. Many homeless boys of the same age have already killed people on the streets for credibility. To reach the people on the streets, we go to parks and alleys where there are groups of homeless children and adults, most of them drug addicted, and we have church together. In Philadelphia we go to a park where addicts shoot up and homeless people gather. We share food, prayers, words of knowledge and love. We also train groups how to minister on the streets through our “School of the Streets” ministry.

Comunidades (Communities): With a heart for meeting the broken where they are in order to bring them to the Most High, our Communities ministry goal is to see the spirit of poverty gone from every Favela (slum) where the true gospel has reached. This is our goal in Brazil and Philadelphia.

In Philadelphia we go to areas of poverty or areas known as high drug use areas to share Hope. We also sponsor outdoor movie nights in several locations during the warmer months.
