The joint distributing committee thus formed shall have power and authority: (a) to allocate the pension responsibility involved; (b) to distribute equitably the permanent funds and all other pension assets of the conference or conferences affected, taking into consideration the pension responsibility involved; and (c) to the extent not otherwise previously provided for by the conference or conferences involved, to apportion or distribute equitably any other assets or property and any other liabilities or obligations, and
- Whereas: It is necessary and appropriate for the Tennessee Annual Conference to appoint members as prescribed by the *Discipline* for purposes of addressing the pension issues required by the *Discipline*, and for the purposes of providing for apportionment or distribution of assets, property, liabilities, and obligations not otherwise previously provided for by the two participating conferences;
